Call for expressions of interest: CSANZ Scientific Committee

The Cardiac Society of Australia and New Zealand seeks expressions of interest from members to fill two vacancies on the Scientific Committee.

The Scientific Committee's portfolio of responsibility includes developing and reviewing eligibility criteria for CSANZ prizes and scholarships, reviewing and grading applications for prizes and research grants, and the appointment of named lecturers for the CSANZ ASM.

Expressions of interest will be considered from Members and Fellows of CSANZ who have a strong track record in cardiovascular research.

To be considered, please submit a covering letter and a two-page CV to: info@csanz.edu.au by Monday, 14 March, 2022.

Heart School Webinar Ep 2 - Tues 22 February

The next Heart School webinar for trainees will be held on Tuesday, 22 February at 7PM (AEDT). The topic is:

Challenges in TTE – constriction vs restriction, evaluation of diastolic function.

Speakers:

A/Prof Sandhir Prasad, Royal Brisbane & Women's Hospital

Dr Josh Martin, Sunshine Coast University Hospital

Chair: Dr Alexander Binnie

Register for the [Zoom Link here](#)

The Heart School Webinar Series is an initiative of the CSANZ Fellows In Training Committee and is targeted to students, BPTs and Advanced Trainees.

Congratulations | NSW Advanced Trainee Research Showcase

The NSW Advanced Trainee Research Showcase was held via Zoom on Wednesday 2 February 2022.

Congratulations to the winner:

Dr Karan Rao who presented, "Key demographic, clinical and electrocardiographic predictors of troponin positive chest pain with unobstructed coronary arteries."

The runner-up was **Dr Christian Said** for his presentation, "Prevalence of hand dysfunction after distal transradial artery access for coronary angiography and percutaneous coronary intervention."

Thank you to our NSW CSANZ Board Member, Prof Liza Thomas, who organised the event and to the judges, Prof Len Kritharides, Prof Chris Semsarian and Prof Kazuki Negishi.

The presentations were followed by a talk on myocarditis following mRNA COVID vaccines by A/Prof Raj Puranik.

Thinking of Travelling to the USA for ACC.22?

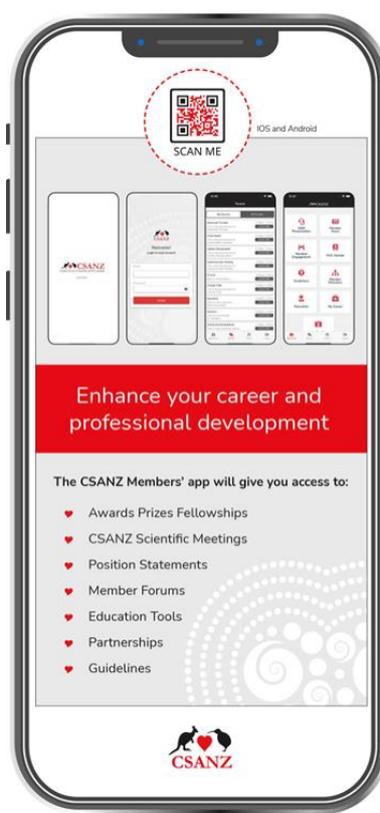

With international borders opened in many states of Australia, you may be thinking about travelling to Washington DC to attend the ACC.22 Scientific Sessions from 2-4 April in person. Please note there is a vaccine requirement in place for ACC.22 for all participants. There can be no exceptions. Although a booster vaccination is not required it is strongly encouraged. To learn more about the health and safety at ACC.22, including responses to some frequently asked questions, click here: <https://accscientificsession.acc.org/Registration-and-Hotels/Health-and-Safety-Measures>

For more information about traveling to the US, please visit this link:

<https://www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel/index.html>

Advanced Registration for in-person or virtual closes 9 March click here for details:

<https://accscientificsession.acc.org/en/Registration-and-Hotels/Registration-Rates-and-Dates>
