## Past CSANZ President Recognised in Queen's Birthday Honours

The Late Dr James Cameron AM has been posthumously awarded Member of the Order of Australia in recognition of his "significant service to cardiology, and to professional societies". Dr Cameron was a leader in the cardiology community in Queensland and across Australia and New Zealand. He served on a number of CSANZ committees over a 32-year period including as President of CSANZ from 2010-12.

## HEART SCHOOL | 2 - 3 JULY | FINAL WEEK TO REGISTER

Join us for the long-awaited 2022 Higher Education in cARdiology Training (HEART) Course to be held at the Hilton Sydney on the weekend 2 - 3 July 2022.

Enjoy getting together with other Advanced Trainees and early career medical students. Immerse yourself in the subspecialty workshops and learn from experienced leaders in their field. We are thrilled to be welcoming our key speakers: Prof Andrew Sindone, Prof Chris Semsarian, Dr Lisa Simmons and Dr Nick Collins.

The Introductory Program lectures drill down to what you need to know and, recent developments in research and guidelines, followed by panel discussions with Q&A.

The Imaging, Intervention, Electrophysiology, Heart Failure and General Cardiology lecture sessions

will have high-level, concise lecture content followed by panel discussions with Q&A.

## Heart Failure Awareness Week | 27 June - 3 July

Hearts4heart will be launching Australia's first national Heart Failure Awareness Week, next week.

This new initiative aims to raise awareness, educate people and encourage critical conversations around the importance of reform in how heart failure diagnosis, treatment, and long-term management is addressed in Australia.

During the week, [Australia's first Heart Failure Patient & Caregiver Charter](#) will be launched to support shared decision-making between patients and clinicians and as a guide for GPs.

- Mr B is an 80 year old with a background history of hypertension and type 2 diabetes. His medical therapy includes lisinopril and metformin. He has been admitted to hospital following an episode... [Your opinion is sought.](#)

## Collaborating for improvement on diagnostic imaging

The Australian Commission on Safety and Quality in Health Care is undertaking a consultation on safety and quality in diagnostic imaging with service providers, clinicians and consumers.

This is the first step towards a review of standards for the sector.

The Commission has extended its consultation until 24 July 2022.

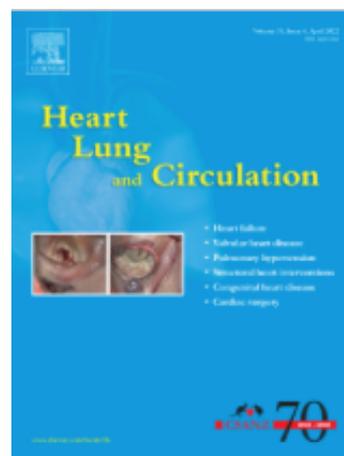

[Visit the website and complete a survey, provide a written submission or participate in an online consultation forum.](#)

## Call for Expressions of Interest: Editor-in-Chief Heart Lung and Circulation

*Heart Lung and Circulation* is the journal of the Cardiac Society of Australia and New Zealand and the Australian and New Zealand Society of Cardiac and Thoracic Surgeons. The Journal is a flagship activity of both Societies and a key contributor to their educational mission.

The term of office for the current Editor-in-Chief, Professor A. Robert Denniss, is due to conclude in 2023. Expressions of Interest are sought from suitably qualified individuals for appointment to the position of Editor-in-Chief.

The appointment will commence initially as Editor-in-Chief-Elect from January, 2023 to enable a 12 month handover and then as Editor-in-Chief from 1 January, 2024.

Please see [position description](#) for further details.

**Expressions of interest close on Friday, 29 July 2022.**
