## CSANZ Postgraduate Research Scholarships are now open for application.

The CSANZ Postgraduate Research Scholarship is intended to provide support for CSANZ Members who wish to pursue a career in cardiovascular research.

The Scholarships will be awarded only to applicants whose research is to be conducted in Australia or New Zealand. Only those applicants who are enrolled as full time students (e.g. for PhD or MD) will be eligible to receive the Scholarship as a tax-free stipend. *Please click on the following links to learn more and apply:*

- [Instructions for applicants](#) (pdf)
- [Application form](#) (word doc)
- [Referee report](#) (word doc)

Applications must be submitted by **Monday 10 October, 2022**.

## CSANZ Education - a new video series | Interviews with Cardiology Leaders

THE CSANZ Education committee have commenced a new video series:

### Interviews with Cardiology Leaders

Follow their career journey, their mentors and influences, how it led them to their speciality in cardiology and what's changed over the years.

This week's additions:

<p><b>New Interview Series</b></p> <p><b>Cardiology Leaders in their field</b></p>  <p>Prof Peter Macdonald tells how he first got into medicine, how his interest in heart failure and transplantation began, his mentors and the great changes he has seen</p>	<p><b>ECG of the Month</b></p> <p>Provided by Alex Voskoboinik July 2022</p> <p>A 38 year-old develops left arm and wrist pain while riding his bicycle. ECG is show below. A coronary angiogram is planned. What does the ECG show?</p>  <p>Figure 1:</p>	<p><b>Clinical Case</b></p> <p><b>Prevalence of Coronary Artery Anomalies in Young and Middle-Aged Sudden Cardiac Death Victims</b></p>  <p>Elizabeth Paratz June 2022</p> <p>Available now as a preprint for the American Journal of Cardiology.</p> <p>This recent minor article discusses the role of</p>
