## CSANZ ASM / ANZET 2022 - A HUGE SUCCESS

Thank you to all those who attended the 2022 CSANZ ASM and ANZET Meeting. There was a fabulous energy across the four days, from the first Symposium to the final What's Hot Plenary, with just over 2,000 delegates, presenters and exhibitors taking the opportunity to get back together again.

Thank you to Mayanna Lund, ASM Convenor; Martin Stiles, Chair of the ASM Scientific Programme Committee; Sidney Lo, ANZET Convenor and the members of the organising committees for putting together the wonderful programs.

Congratulations to all presenters. There was certainly a lot of excitement for the young investigator presentations and awarding of prizes. The quality of work was outstanding as commented by many of the international faculty.

### The 2022 CSANZ Ralph Reader Prize winners were:

- **Basic and Translational Science** - Dr Dinesh Selvakumar, Westmead Institute for Medical

Research

- **Clinical Science** - Dr Julia Isbister, Centenary Institute

#### **Congratulations to the ANZET Prize winners:**

- Geoff Mews Memorial ANZET Fellows Prize: Dr Farrah Othman.
- Early Career Investigator Prize: Dr Ehsan Khan.
- Best Interventional Imaging Prize: Dr Ganeev Malhotra.

Full details and official photos will be published in the *On the Pulse* magazine, due out on 1 September 2022.
