[Draft curriculum standards](#)

[Specialty program handbook](#)

How to Provide Feedback

1. Complete the [online feedback form](#) by **5pm AEDT on Monday 5 December 2022**; OR
2. Attend an information session below to provide feedback verbally. (*No RSVP required*)

Thursday, 24 November: 3pm to 3:30pm (AEDT) [Join Live Zoom here](#)

Monday, 28 November: 11am to 11:30am (AEDT) [Join Live Zoom here](#)

Tuesday, 29 November: 1:30pm to 2pm (AEDT) [Join Live Zoom here](#)

Additional information

Watch this [short video](#) for more about the curriculum development process and how to contribute to the consultation of the new specialty curricula. Or read more about the [Advanced Training Curricula Renewal Project](#) here.

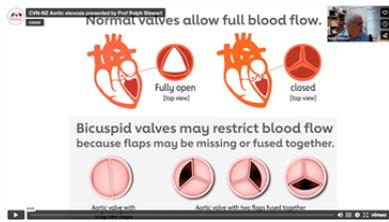

For queries please contact RACP [Member Services](#) or curriculum@racp.edu.au via email.

Cardiovascular Nursing Education Resources

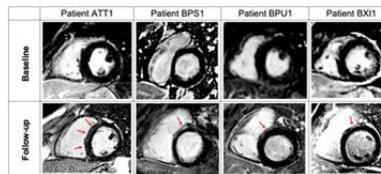

CSANZ EDUCATION: We are so excited to announce that we have launched a new [Cardiovascular Nursing](#) section on the CSANZ Education website. Watch a series of educational videos from experts in their field, topics ranging from: Aortic Stenosis; RHF and RHD; Long QT and Brugada Syndrome; and Acute Chest Pain Evaluation.

Journal Articles see below links to newly published articles recently added to our CSANZ Education page. Thank you to the authors for contributing.

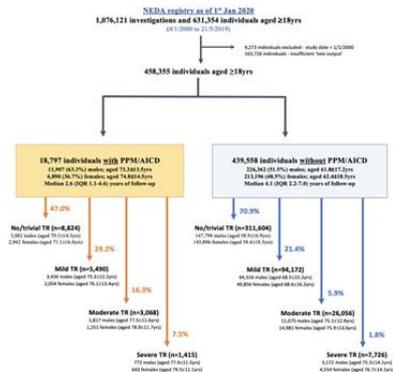

If you have any other articles, videos or education material that you would like to put forward for inclusion on our website, please send it through to the attention of the Education Committee at info@csanz.edu.au.
