## Call for Expressions of Interest - Pulmonary Arterial Hypertension

The Thoracic Society of Australia and New Zealand is collaborating with CSANZ to develop a Joint Position Statement on the Diagnosis and Management of Pulmonary Arterial Hypertension (PAH).

The purpose of the Position Statement is to provide concise, practical and evidence-based recommendations for the diagnosis and management of PAH. The Position Statement will provide a framework to ensure a consistent standard of care for patients with PAH.

CSANZ is inviting expressions of interest from members to join the Writing Group. The group will comprise a diverse representation including geographical spread, gender, discipline, and experience.

[Click here for further details.](#)

Expressions of interest must include:

- A brief description of your reason/s for wishing to join the writing group (100 word limit)
- A brief description of what you can contribute to the writing group (150 word limit)
- Current CV (5 pages limit)

Please send your expression of interest to [info@csanz.edu.au](mailto:info@csanz.edu.au) by **Monday 31 July, 2023**
